

MASTERPLAST Nyrt.

Masterplast Nyilvánosan Működő Részvénytársaság (seat: 8143 Sárszentmihály, Árpád u. 1/A., company registration number: 07-10-001342, hereinafter referred to as the Company) hereby informs the honourable Investors that the MASTERPLAST Hungária Korlátolt Felelősségű Társaság (seat: 8143 Sárszentmihály, Árpád u. 1/A., company registration number: 07-09-026984, hereinafter referred to as: Masterplast Hungária Kft.) solely owned by the Company will launch a national facade insulation discount program on 9 September 2024. In the framework of Hungarocell Renovation Program, participants can purchase the Hungarocell EPS insulation material for their home's facade insulation at a 50% discount if the conditions are met. Details of the discount program are available on the Company's website <https://felujitas.hungarocell.hu/>.

In connection with the program, Masterplast Hungária Kft. as a result of energy savings pursuant to Section 1, point 11 of Article 1 of Act LVII of 2015 on Energy Efficiency (hereinafter: Enhat.), on the subject of rights of limited marketability pursuant to paragraph 15/B (3) concluded a strategic agreement on the future transfer of Certified Energy Savings (HEM) on 3 September 2024. Based on the agreement, Masterplast Hungária Kft. may transfer approx. HUF 3.1 billion worth of HEM, as an asset right to the party entitled to purchase HEM, which is obligated under Section 15 (1) of Enhat., until 1 December 2026.
